

Sihab Bin Sarwar

Undergraduate in Computer Science and Engineering (Data Science Major)
sihabbinsarwar007@gmail.com | +8801819856420 | Dhaka, Bangladesh

Education

B.Sc. in Computer Science and Engineering(Ongoing), East West University, Dhaka, Bangladesh
Data Science Major, Expected Graduation: Fall 2026, CGPA: **3.24**

Experience

Content Writer – Computer Programming Club, EWU

- Created content on competitive programming, algorithms, and tech trends.
- Contributed to blog posts, educational materials, and social media campaigns.

Academic Projects

- **Gallstone Classification:** Developed ML model with hyperparameter tuning, achieving 84% accuracy (ongoing).
- **Stress Level Prediction:** Collected and preprocessed student data using pandas to predict stress levels.
- **Restaurant Review and Booking System:** Oracle APEX project integrating database design, UI, and recommendation queries.
- **Efficient Task Scheduler:** Implemented FCFS, SJF, Round Robin, and Priority Scheduling algorithms in C++.

Skills & Tools

- **Languages:** C, C++, Python, SQL, HTML, CSS
- **Libraries:** Pandas, NumPy, Matplotlib, Scikit-learn, OpenCV
- **Software:** MS Office
- **Tools:** Git, VS Code, Oracle SQL Developer

Certifications

- [Supervised ML - Regression & Classification](#) (Coursera)
- [SQL for Developers, Data Analysts & BI: MySQL for Everyone](#) (Udemy)

Extracurricular Activities

- Active member of Computer Programming Club, EWU.
- Participated in algorithmic coding challenges and inter-university tech events.
